Trinitas Classical Academy

"There is none holy like the LORD: for there is none besides you."

1 Samuel 2:2

Welcome, Mrs. Quick!

Associate Teacher with Art Focus

What a pleasure it is for me to accept an art teaching position at Trinitas! My husband Bernie and I have recently moved to Stone Lake, WI from Northfield, MN where I taught at St. Dominic's Catholic School. I have 18 years of teaching experience working both at many private and public schools in WI and MN. The Eau Claire school District was one of my first teaching jobs and my Alma mater.

My passion for teaching art is reflected in every child as they create with their God-given talents. This is a beloved combination for me as my heart lies with both children & faith.

I have two beautiful adult girls, a full size golden doodle, and a cat we just found in our woodpile!

In our new journey together as students, parents and staff *"May the Lord bless you and keep you, the Lord make his face shine on you and be gracious to you, the Lord turn his face toward you and give you peace."*

Numbers 6:24-26

Family Corner

"When our family first considered TCA, we were drawn to its dedication to academic excellence rooted in Christ-centered discipleship. We desired an education for our children that would not only challenge them intellectually, but also cultivate their hearts and strengthen their faith. Over the past two years, TCA's classical Christian education has *far exceeded our expectations*. We have watched our children **grow remarkably in confidence, character, and their relationship with Christ**. They are developing the ability to think critically, communicate thoughtfully, and view the world through a strong biblical foundation. Just as meaningful has been the Christ-centered community TCA fosters among its families. The friendships, support, and shared values within this community have been a true blessing, and we are grateful to be part of a school that is shaping both our children and our family in such lasting ways."

-Mike and Joanna Deigan
(Ben and Adam)

Looking Toward Year 3

It is hard to believe that we are rounding the corner to completing our second year of school at TCA! Looking toward the future, we are filled with excitement and gratitude for the growth we are experiencing. Our enrollment season is currently underway, and we are receiving numerous applications and school tour requests. We are conservatively expecting at least 20 students as we move toward year three. Also, in the upcoming year, we are expanding our grade level offering to include 4th grade.

We are excited to bring on a new team member, Mrs. Mary Quick as our Associate Teacher with a focus in Art, who brings 18 years of experience in education. This growth also comes with the addition of an art classroom to accommodate our enrichment program.

Our team is determined to stay true to our deeply held Christian values and dedication to the classical education model. This summer our staff will return to Louisville, KY to attend the annual Classical Teacher Training Conference put on by our curriculum provider, Memoria Press. This training has proven to be invaluable to our school, training our teachers in the discipline of educating students in a classical and traditional way. Stability and longevity remains the top priority of our TCA Board. This summer our Board Members are attending a Strategic Planning Training specific to Christian schools to help ensure that TCA will continue to flourish!

Interested in supporting TCA's mission?

Would you consider supporting Hayward area Christian education? TCA does not accept any form of government funding. We solely rely on tuition, fundraising, and donations. Your **one-time or monthly** gift to TCA makes a huge impact for our students, families, and staff. Thank you for your consideration!
