Year Two at TCA!

First Day of School: Sept. 2nd ✓

Mrs. Zeigle

Head Teacher/Administrator

Can you believe it . . . We already have four weeks of school under our "belts" (hint, hint: the piece of **armor** will be focusing on in **October**!)! 4K is busy learning letters & the Bible verses that go with them, numbers, colors, and shapes. We are also reading Bible stories, memorizing prayers, and more! In Kindergarten, the students are busy learning letters, phonics skills & rules, and starting to build short sentences with the letters & sight (common) words they are learning. First - Third Grades are wrapping up review from the previous grade and will start to dive into new material in Spelling, Phonics/Reading, and Math! They continue to review Bible stories through their Christian studies, as well as memorizing Bible verses, prayers, and poetry. Year two is off to an amazing start!!!

Mrs. Niebuhr

Second and Third Grade Teacher

"I am thrilled to join the staff at TCA as the Second and Third Grade teacher! Classical Christian education is truly a wonderful opportunity for families in our community. Whether it's art, music, literature, or math - students are surrounded daily by that which emphasizes truth, goodness, and beauty. Our upper grammar students are beginning to dive into fascinating topics such as; Latin, Greek Mythology, Mammals, and more. It's been an exciting beginning to our school year, and we are starting to settle into our daily schedule and routines. I look forward to a great year of learning and growth!"

Helping Children Know the God of the Bible.

"If we want to raise children who remain firmly rooted in the faith, we must ensure that they know God as He truly is, not as they or others want him to be or believe Him to be."

-Foundation Worldview

At morning Chapel when we do not have our Formal Chapel services, our students are led by Mrs. Zeigle through a Biblical Worldview curriculum from Foundation Worldview. This year we are focusing on the attributes of God. In our first few weeks the students have been diving into one of God's unique characteristics: "God is self-existent; God has no cause."

A Defense of Penmanship

1. Accuracy, Discipline, and Habit of Quality Work

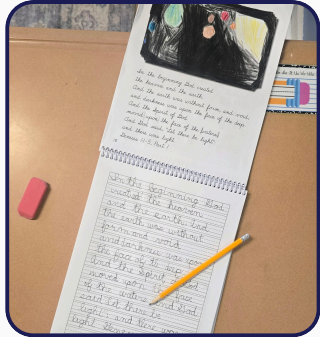

a. Practicing legible penmanship develops attention to detail, accuracy in other work (like spelling, arithmetic), and discipline in how one approaches tasks.

1. Memory & Learning

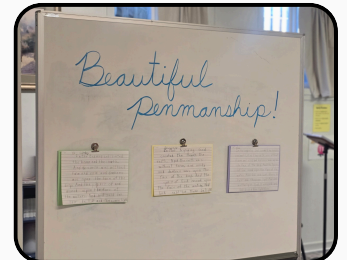

a. Writing by hand helps memory: when you physically write something with conscious attention to form, you recall it better.

2. Beauty, Aesthetic Pleasure & Character

a. The aesthetic dimension contributes to a person's character; caring about beauty and order, patience, as well as pride in craftsmanship.
