Volunteer SHOUT OUT!

"I have enjoyed every single minute of volunteering at TCA. After my first 4.5 hour shift, I wanted to volunteer more! The kids are learning sponges and I have enjoyed experiencing all the unique personalities. The pace is very manageable and the staff is exceptional. I would encourage anyone that has time and a desire to disciple children, to get involved."

Mr. Jim Denman began volunteering this fall in Mrs. Niebuhr's classroom and has been a huge help. Thank you for generously sharing your time, enthusiasm, and wisdom, Mr. Denman!

Enrichment: Latin Choir

This year we were excited to dive into an area of enrichment for the 2nd - 4th grade students: "Latin Choir!" As an extension of their Latin course, these students learn and translate verses of classic Latin hymns in the classroom. Even more fun, each Wednesday afternoon the students get to practice their songs with our wonderful volunteer, Mrs. Elaine Smith. We are very grateful to have Mrs. Smith, who shares her passion and experience in music with our students - and they are having a blast! The students have so far learned *Dona Nobis Pacem*, *Christus Vincit*, and are working on multiple verses of *Adeste Fidelis*. During this time our students are also learning how to read notes in the bass and treble clef, time and key signatures, how to follow a conductor, and how to sing together as a unit.

Poetry Memorization

*"Twenty froggies went to school,
Down beside a rushy pool;
Twenty little coats of green,
Twenty vests all white and clean..."*

Why poetry memorization?

For our young learners, memorization is easy and joyful! Memorizing poems trains the mind, builds vocabulary, and develops an ear for rhythm and beauty in language. We believe in recognizing and pursuing that which is good, true, and beautiful. Memorizing poetry gives children a treasury of goodness and beauty that they can draw on for a lifetime. This week our first graders are completing the 1800s poem by George Cooper, *Frogs at School*.
